INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

HONG KONG AIR CADET CORPS

(Incorporated in Hong Kong with liability limited by guarantee and not having a share capital)

#### Opinion

We have audited the financial statements of Hong Kong Air Cadet Corps ("the Corps") set out on pages 1 to 19, which comprise the statement of financial position as at 31st March 2018, and the income statement and statement of changes in equity and statement of cash flows for the year then ended, including a summary of significant accounting policies.

In our opinion, the financial statements give a true and fair view of the financial position of the Corps as at 31st March 2018, and of its financial performance and its cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standard ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

#### **Basis of Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Corps in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Information Other than the Financial Statements and Auditor's Report Thereon

The Executive Board Members are responsible for the other information. The other information comprises all information included in the Executive Board Members' report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

HONG KONG AIR CADET CORPS

(Incorporated in Hong Kong with liability limited by guarantee and not having a share capital)

## Responsibilities of Executive Board Members for the Financial Statements

The Executive Board Members are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the Executive Board Members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Board Members are responsible for assessing the Corps' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Board Members either intend to liquidate the Corps or to cease operations, or have no realistic alternative but to do so.

Executive Board Members are responsible for overseeing the Corps' financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, in accordance with section 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of the report.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
  or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
  is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corps' internal control.

#### INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

HONG KONG AIR CADET CORPS

(Incorporated in Hong Kong with liability limited by guarantee and not having a share capital)

### Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Board Members.
- Conclude on the appropriateness of the Executive Board Members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corps ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Corps to cease to continue as a going concern.

We communicate with Executive Board Members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### Reporting entity

Hong Kong Air Cadet Corps ("the Corps") was incorporated in Hong Kong under the Hong Kong Companies Ordinance with limited liabilities. The Corps is limited by guarantee and not having a share capital. The Corps' registered office is located at Room D, 32nd Floor, Lippo Centre, Tower 1, 89 Queensway, Hong Kong. The Corps' principal activity is the provision of aviation education and youth development programmes.

#### Note 1 Basis of preparation and accounting policies

The financial statements have been prepared in accordance with Hong Kong Financial Reporting Standard issued by the Hong Kong Institute of Certified Public Accountants and have been prepared under the accrual basis of accounting and on the basis that the Corps is a going concern.

The financial statements have been prepared on the historical cost basis.

The followings are the specific accounting policies that are necessary for a proper understanding of the financial statements:-

#### (a) Revenue

Revenue is recognised when it is probable that the economic benefits will flow to the Corps and when the revenue can be measured reliably, on the following bases:-

- (i) Sale of goods is recognised when the goods are delivered and the risks and rewards of ownership have passed to the customer;
- (ii) Interest income is recognised on a time proportion basis taking into account the principal outstanding and the interest applicable;
- (iii) Membership fees is recognised when the income is received and receivable;
- (iv) Government grants is recognised as income over the period necessary to match them with the related cost which they are intended to compensate, on a systematic basis;
- (v) Endowment income is recognised when the income is received.

#### Note 1 Basis of preparation and accounting policies (Continued)

#### (b) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The depreciable amount of an item of property, plant and equipment is allocated on a systematic basis over its estimated useful life using the reducing balance method. The principal annual rates used for depreciation are as follows:-

Leasehold improvement	30%
General furniture, fixtures and equipment	25%
Donated furniture, fixtures and equipment	25%
General motor vehicles	25%

#### (c) Impairment of assets

An assessment is made at each statement of financial position date to determine whether there is any indication of impairment or reversal of previous impairment, including items of property, plant and equipment, intangible assets and long-term investments. In the event that an asset's carrying amount exceeds its recoverable amount, the carrying amount is reduced to recoverable amount and an impairment loss is recognised in the income statement. A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the recoverable amount, however not to an amount higher than the carrying amount that would have been determined (net of amortisation or depreciation), had no impairment losses been recognised for the asset in prior period.

#### (d) Translation of foreign currencies

Foreign currency transactions during the year are translated into Hong Kong dollars at the exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies are translated into Hong Kong dollars at the exchange rates ruling at the statement of financial position date. Exchange gains and losses are dealt with in the income statement.

#### (e) Stock

Stock are stated at the lower of cost (using a weighted average basis) and net realisable value. In arriving at net realisable value an allowance has been made for deterioration and obsolescence.

#### (f) Income tax

The Corps being a not-for-profit organisation is exempted from Hong Kong Profits Tax by virtue of Section 88 of the Inland Revenue Ordinance on 1st September 2008.

## Note 1 Basis of preparation and accounting policies (Continued)

#### (g) Cash flows

For the purpose of the cash flow statement, cash and cash equivalents includes cash in hand, cash at bank and net of bank overdraft.

#### (h) Cash equivalents

Cash equivalents represents short-term highly liquid investments which are readily convertible into known amounts of cash and which were within three months of maturity when acquired; less advances from banks repayable within three months from the date of the advance.

#### (i) Operating leases

Leases where substantially all the risks and rewards of ownership of assets are not transferred to the lessee are accounted for as operating leases. Annual rents applicable to such operating leases are charged to the income statement on a straight-line basis over the lease term.

#### (i) Provision and contingent liabilities

Provisions are recognised for liabilities of uncertain timing or amount when the Corps has a legal or constructive obligation arising as a result of a past event, and it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made. Where the time value of money is material, provisions are stated at the present value of the expenditures expected to settle the obligation.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events, are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

#### (k) Employee benefits

(i) Salaries, wages, contract end gratuities are accrued in the period in which the associated services are rendered by employees of the Corps.

Employee entitlements to sick leave and maternity leave are recognized when the absences occur.

#### Note 1 Basis of preparation and accounting policies (Continued)

#### (k) Employee benefits (Continued)

(ii) The Corps operates a defined contribution mandatory provident fund scheme ("MPF Scheme") and provident fund Scheme ("P-Fund Scheme") for its employees in Hong Kong. The assets of the MPF Scheme and P-Fund Scheme are held separately from those of the Corps in independent administered funds.

The Corps and the employees are required to contribute 5% of the employees' relevant income, subject to a maximum of HK\$1,500 per employee per month under the MPF Scheme. The Corps is also required to contribute a maximum of 15% of the employee's relevant income under the P-Fund Scheme. The Corps has no further payment obligations once the contributions have been paid. The contributions are recognised as employee benefit expense when they are due and prepared contributions are recognised as an asset to the extent that a cash refund is available.

#### (I) Certificate of deposit

Certificate of deposit are stated at cost subject to the currency fluctuation of Renminbi.

### Note 14 Surplus fund from flag day (Continued)

The Flag Day Appeal of Hong Kong Air Cadet Corps was held on 11th November 2017 under Public Subscription Permit No.: FD/R015/2017 issued by Social Welfare Department on 21st December 2016. The flag day surplus fund account was audited on 8th January 2018. The net proceeds from the flag day has been fully utilised during the financial year 2017-2018 and the fund raised has been used to enable development of young people's ability and social responsibility, thereby grooming them to become citizens with a love for the country and Hong Kong, and be in a position to contribute to the Hong Kong Aviation Industry.

Examples of activities related to the youth development include parades, camps, seminars, community service programmes and international exchange programmes (Remarks: the Corps has utilized funds and subsidies from other sources along with Flag Day revenue to conduct the aforementioned activities.)
