2023 District Council Ordinary Election

The 2023 District Council Ordinary Election will be held on December 10 this year. This election is the first large-scale territory-wide election being held after the reform of the District Councils and improving the district governance system, and is of particular significance. I strongly encourage all of you who are registered voters to vote in this important election. You are encouraged to –

- familiarize yourself with the geographical constituencies to which you belong with redrawn boundaries and coverage;
- familiarize yourself with the candidates and the latter's election platform;
- pay attention to notifications from the Registration and Electoral Office (“REO”) on the polling station where you should cast your votes, which may be different from the one(s) you were assigned in the 2021 LegCo election and the 2019 District Council election;
- call upon and remind your family members, relatives, friends and neighbours to vote on the polling day; and, of course,
- vote, preferably early, on the polling day.

PLEASE USE YOUR VOTE !!

Thank you for your attention.

Acting Chief Staff Officer
