Airbus Flight Simulator Experience – January 2024

Previous Airbus Flight Simulator Experience Session

Flight simulator allows participants to apply and consolidate flying theory learnt in textbooks and ground school, and to further develop knowledge, skills and attitude conducive to flying operations in a safe training environment irrespective of participants' experience. It has been used in a number of aviation education programmes in the Corps, such as Advanced Aviation Education Programme and Qualified Aviation Instructor Course.

2. In order to enhance members' appreciation in flying and aviation in general, Aviation Education Wing will organize a flight simulator experience session with details as follows:

Date	Time	Quota	Venue
20 January 2024 (Saturday)	0900-1300	7	HK Polytechnic University

3. Courtesy of the **Department of Aeronautical and Aviation Engineering of the Hong Kong Polytechnic University**, the session will be held with an Airbus A320 static flight simulator. Participants are encouraged to have a self-study / revision on Principle of Flight and Effects of Control before joining the session. The following Youtube videos could be useful references:

- [Principle of Flight](#) by Embry-Riddle Aeronautical University (ERAU)
- [Flight Controls](#) by ERAU

4. Interested members are invited to apply through their OC Units. Applications should reach hkacc.aewing@gmail.com by 15 January 2024 using the attached reply slip.

5. In case the number of applicants exceeds the quota, seats will be allocated in the following order:

- a) Cadets aged 16 or below, who have not attended this event within six months from the event date;
- b) Cadets aged 17 or above, who have not attended this event within six months from the event date; and
- c) All other members.

6. On a separate note, the Airbus Flight Simulator Experience activity originally scheduled for 23 December 2023 was called off due to insufficient applications.

7. We look forward to your participation.
