### THE VALIANT 2018 Successful Camper List

1. 'The Valiant 2018' was held from 28 to 31 December 2018. This year, we are pleased to announce that 17 committee members and 45 campers have successfully completed the course, in which they have learnt and practiced various skills ranging from *leadership, team building, public speaking, to navigation, orienteering and interpersonal communication.*
2. 'The Valiant 2018' aims to develop leadership potential and prepare cadets for additional responsibilities in the Corps and their daily life. In this connection, the programme was designed in a way such that cadets must rely on each other as a team while at the same time give constant effort in emerging himself/herself as a key person of the team. Various tasks and arrangements were made to facilitate cadets to consider the three key "needs" in Functional Approach to Leadership.
3. During the course, cadets took turns to be leaders for tasks, with each focused on various critical points, considerations and characters of leadership. Each team was accompanied by Flight Assessor(s) whom closely observed their performance and provided both qualitative feedback and quantitative assessment. All cadets who completed the course received a certificate, with cadets assessed as well above average or exceptional received a Merit or Distinction rating.
4. It was a privilege to have Acting Wing Commander Peggy TAM, Deputy Commanding Officer, Skills Development & Support and Squadron Leader Vickie AU, Officer Commanding Skills Development & Support Group visited the course on Day 2 and provided valuable guidance.
5. The camp concluded with the passing out parade and we were honored to have Group Captain M L CHAN, IDSM, Commanding Officer, reviewed the parade and provided an encouraging and insightful speech to our cadets.
6. This 4-day-3-night leadership course is recognized as an Annual Camp for the purpose of cadets' classification advancement. Please refer to Appendix I for successful camper list.
