### THE VALIANT 2019 Successful Camper List

'The Valiant 2019' was held from 27 December 2019 to 30 December 2019. This year, we are pleased to announce that 16 committee members and 35 campers have successfully completed the course, in which they have learnt and practiced various skills ranging from *leadership, team building, public speaking, to navigation, orienteering and interpersonal communication.*

'The Valiant 2019' aims to develop leadership potential and prepare cadets for additional responsibilities in the Corps and their daily lives. In light of this, the programme was designed in a way such that cadets must rely on each other as a team while at the same time give constant effort in emerging himself/herself as a key person of the team. Various tasks and arrangements were made to facilitate cadets to consider the three key "needs" in Functional Approach to Leadership.

During the course, cadets took turns to be leaders for tasks, with each focused on various critical points, considerations and characters of leadership. Each team was accompanied by Flight Assessor(s) whom closely observed their performance and provided both qualitative feedback and quantitative assessment. All cadets who completed the course received a certificate, with cadets assessed as above average, Merit or Distinction.

It was a privilege to have Wing Commander Peggy TAM, Deputy Commanding Officer, Skills Development & Support and Squadron Leader Vickie AU, Officer Commanding Skills Development & Support Group visited the course on Day 3 and provided valuable guidance.

The camp concluded with a passing out parade and we were honored to have Group Captain M L CHAN, IDSM, Commanding Officer of Hong Kong Air Cadet Corps, reviewed the parade and provided an encouraging and insightful speech to our cadets.

This 4-day-3-night leadership course is recognized as an Annual Camp for the purpose of cadets' classification advancement. Please refer to Appendix I for List of Successful Campers.
