### CCCU x HKACC Micro movies

Have you ever thought about promoting our Corps through digital media? During the academic years of 2015-2017, three project teams successfully provided advice and support to the students from the Associate of Science in Creative and Interactive Media Production programme of the Community College of City University (CCCU) with an aim to promote our organisation to the general public through micro movies. The four videos can now be accessed through the following links on our Facebook page:

1. Promotional Video 2015 – “每個人都有自己的夢想, 我們不斷為目標而奮鬥, 為理想、為未來, 我們選擇「香港航空青年團」”:
