Dear Colleagues,

Thematic Funding for 2010-2011 & Happy Family Campaign

A self-explanatory letter from HAB, a set of funding guidelines, a fund application form, and a reference document for the subject matter are attached for your reference.

Sqns/Wgs/Units/Gps are encouraged to submit proposals for the fund application, and IA Gp has been appointed to co-ordinate the fund application.

HAB has indicated that we may apply fund for:

1. projects that are exactly the same as what we carried out in the past years or
2. new projects

According to our understanding, some projects like Parents Day, Family Day Camp, ...etc. were self-financed successful projects carried out by different Sqns/Wgs/Units in the past years. Since the HAB Thematic Funding is available now, we may take the advantage of this funding.

The deadline for proposal submitting to HAB is 23 July. Since the Corps will submit a consolidated proposal to HAB and we need time for consolidation of colleagues' proposals, please submit your proposals to rogerkwong2006@gmail.com and paulinecheng34@yahoo.com.hk by noon, 12 July.

Thanks for your support!

Yours faithfully,

Roger Kwong
