Home Affairs Bureau

1. Introduction

The Commandant's Award 2017 (CA2017) was held on 5 August 2017 (Saturday) at Lecture Theatre HJ305, the Hong Kong Polytechnic University. Eight teams from five different Wings have entered the competition. In addition to the teams, approximately 90 HKACC members and their family members attended the competition to show their support to the teams.

2. Adjudicators

The adjudicators were:

I. Sqn Ldr (sp) Marcus CHAN

Officer Commanding Advanced Aviation Education Programme Flight,
Hong Kong Air Cadet Corps

II. Dr Joanna LEE

Senior Lecturer, Centre for Applied English Studies, The University of
Hong Kong

III. Dr Yu Chee TONG

Senior Teaching Fellow, Interdisciplinary Division of Aeronautical and
Aviation Engineering, The Polytechnic University of Hong Kong

The teams were assessed based on the proficiency in English, contents of the presentation, presentation skills and overall performance.

3. Participating Teams and Results

The participating teams and respective presentation topics are as follows:

Position	Unit	Topic	Score
Champion	108	Pearl River Delta Region Airspace Issue	248
1st Runner-up	302	Noise Reduction Using Serrated Trailing Edge (Latest Technology in Aeronautical Field)	192
2nd Runner-up	304	Impacts on Air Traffic by Natural Hazards	178
--	308	The Secret Behind Baggage Handling System	--
--	401	Strange Air accident and incidents	--
--	403	“Drones in everywhere, Approve or not”	--
--	502	The Overbooked Flights	--
--	601	Air crash investigation due to weather and how it improved the industry	--

The respective teams decided their own presentation topics based on 15 suggested scopes in aeronautical field. This served to encourage the cadets to research in the area they are interested in. It also allowed room for them to extend their studies in a wider scope.

5. Acknowledgements

AE Wg would like to thank the Hong Kong Polytechnic University in providing the venue for CA2017, as well as the adjudicators for their precious time and effort in assessing the performance of the participating teams.

In addition, the competition would not be successful without the support and assistance from No 604 Sqn, No 605 Sqn, Photo Flt and all the participating teams.

More photos are available at Photo Flt's facebook page at <https://www.facebook.com/HKACCPPhotoFlight> and AE Wg's facebook page at <https://www.facebook.com/hkacc.aewing>.

6. Conclusion

The competition aimed at arousing cadets' interest in the aeronautical field and enhancing the English speaking ability among the cadets. Subsequent to the competition, participating teams and other cadets are encouraged to seek further aviation knowledge and to practice their English, which will be beneficial to their future development in the Corps and the aviation industry.

Comments are welcome from all parties for the continuous improvement of the competition. Meanwhile, we would like to wish the participating teams all the best in their studies and their lives ahead in the Corps.
