Aviation Career Survey for HKACC Members

Further to my previous memo dated 4 December 2017 under the same subject, the Aviation Education Wing would like to conclude the Aviation Career Survey on 28 December 2017. As such, no further input by current and past members will be accepted afterwards.

2. With the above deadline, we would again be very grateful if OC Units could encourage members under your command who are working in the aviation industry to visit the following link to complete the survey. Reserved and past members are also invited to fill in the survey in order to enrich the database as much as possible. The survey will take approximately 3-5 minutes:

URL: <http://bit.ly/CareersHKACC>

3. Members who have filled in a similar survey through the Advanced Aviation Education Programme / Advanced Aviation Education Programme (Helicopter) in 2015 are invited to fill in the current survey again to ensure up-to-date information is collected.

4. The information collected will be used solely by the Corps to update the database of current and past members who are working in the aviation industry, which is for statistical and analytical purpose and for the strategic planning by the Corps Management.

5. In accordance with the Personal Data (Privacy) Ordinance (Cap. 486), persons completing the survey have a right to request access to and correction of the personal data provided. Should any respondents wish to make such request, or should there be any enquiries, please contact the undersigned at [hkacc.aewing\[at\]gmail.com](mailto:hkacc.aewing[at]gmail.com). Thank you.

6. Taking this opportunity, may I wish you and your loved ones a happy holiday ahead.
