Let's Stand Firm. Knock Drugs Out!
Questionnaire Distribution

The recent anti-drug campaign “Let's Stand Firm. Knock Drugs Out!” (聽我講: 一齊企硬 唔 Take 嘢!) has received strong community engagement, particularly among youth groups. To evaluate the effectiveness of this campaign and gain deeper insights into the feedback, SB is conducting a questionnaire survey to better understand young people's views.

We would be grateful if you could complete the questionnaire on or before **25 April (Sat)**.

The questionnaire is available at the following link:

Your support in distributing this survey will provide valuable data and insights for future improvements.

Thank you for your kind attention.
