Micro movie 2018 - Open Recruitment of Actors & Actresses

Our “Micro movie Project” Committee members have been providing advice and support to students from the “Associate of Science in Creative and Interactive Media Production” programme of the Community College of City University (CCCU) with an aim to promote our organisation to the general public through micro movies. We are now recruiting 4 actors and actresses for the micro movie 2018!

Cadet members aged between 16-21 who are available to attend all shooting activities during late February to late March are encouraged to submit their application forms (see Appendix) to hkaccvqu@gmail.com for selection. Preference will be given to those who have drama and/or micro movie performance experience.

Consideration of applications will commence today until the positions are filled. For queries, please do not hesitate to contact Ag Plt Off Patrick Fan, VQO before submitting applications.
