Sharing by Captain Marcus De Santis

*Sharing in 2025*

Captain Marcus De Santis, Honorary Training Captain of HKACC, was the founder of the Dragonair Aviation Certificate Programme ([link](#)). The programme enlightened numerous local youths who later embarked their careers in the aviation industry as pilots, engineers, air traffic controllers and professions alike. He has retired from commercial flying, but he would still like to meet members of the HKACC who are interested in aviation and share his aviation story. You will also have an opportunity to ask him questions about aviation.

2. The details of the sharing are provided as follows:

Date	25 Feb 2026 (Wed)
Time	1900 – 2200
Venue	UOW College Hong Kong, Tai Wai
Target Audience	All members interested in aviation
Language	English
Dress Code	Expected to be Corps Polo (or, alternatively, Wing / Squadron Polo / T-shirt) with trousers
Application Deadline	20 Feb 2026 (Fri)

3. Cadets' participation in this seminar is highly encouraged as they will be able to obtain first-hand information about the aviation world from Honorary Training Captain.

4. Interested members should indicate their interests to their OC Units, who will then return the attached application form by the deadline. I look forward to your participation.
