Aviation Industry Forum 2022 – “Resilience of Aviation in a New Age of Technology”

The global pandemic has put SMART technologies and resilience strategies of the aviation sector under the spotlight. This forum, to be held in hybrid mode, will enable a linkage of global aviation and education leaders, industry professionals, academics and practitioners to shed light on the latest aviation highlights, trends, challenges and emerging technologies. Besides, it also offers insights into future skills and resilience measures to ascertain the sustainability of the aviation industry. As one of the strategic partners, our Corps is invited to encourage members to attend the event with details below:

Date:	25 November 2022 (Friday)
Time:	0900-1730hrs
Venue:	Hong Kong International Aviation Academy, 9/F, HKIA Community Building, Hong Kong International Airport
Mode of delivery:	Online (via MS Teams) and Face-to-face (at the Auditorium)
Some of the key topics:	<ul style="list-style-type: none">◦ Vocational and professional training and education for Hong Kong Aviation◦ The future skillsets and strategies with Greater Bay Area airports◦ The restart and recovery of aviation sector◦ Shaping the future travel experience with technologies◦ Aviation policies and procedures, aviation safety, etc.
