Date 16 December 2020

**Associate of Science in Aviation and Pilot Studies (AScAvPS) –
*Calling for applicants!***

Together with the Hong Kong Air Cadet Corps, the University of Wollongong College Hong Kong (UOWCHK) has been offering the two-year **Associate of Science in Aviation and Pilot Studies** (理學副學士[航空及飛行]) since September 2018. According to the recent survey, 95% of the graduates have been admitted to the local and overseas degree programmes.

The programme aims to provide the basic theory, technical knowledge and practical skills required for understanding aircraft technology and piloting an aircraft. There is an elective for outstanding students to gain flying experience in Adelaide, Australia during summer. Graduates can continue their study in local aviation-related degree programmes, or pursue the Bachelor of Aviation (Pilot) programme offered by the University of South Australia in Adelaide for another 1.5 years. Holders of the certificate awarded upon completion of the Advanced Aviation Education Programme (AAEP) or BTEC Level 2 Certificate in Aviation Studies are also eligible to apply for credit transfer in the AScAvPS.

The General Entrance Requirement of the programme is Level 2 or above in five HKDSE subjects including Chinese Language and English Language, or with other equivalent qualifications. Members who are interested are highly encouraged to get more information on <https://www.uowchk.edu.hk/study-at-uowchk/find-programmes/programmes-by-study-area/aviation/associate-of-science-in-airport-operations-and-aviation-logistics/>, and apply directly via E-APP ((Electronic Advance Application System for Post-secondary Programmes) at <https://www.eapp.gov.hk/eapp>. The latest programme leaflet of AScAvPS is available on <https://www.uowchk.edu.hk/site-assets/uow-college-hong-kong/fst/images/programme/ProgLeaflet-AvPS-20-21.pdf>.

If any members would like to join our AScAvPS mailing list or join our programme briefing webinar (Session 1) on 27 December 2020 (Sunday) during 1600-1700hrs, please do not hesitate to contact the undersigned via e-mail: hkaccvqu@gmail.com. The webinar will be live-streamed by Zoom. There will be a chance to ask questions at the end of the presentation via Zoom.
