Survey on “Aviation Degree Programme”

The Community College of City University (CCCU) is now in the progress of planning for two new programmes:

- 1) a 2-year Associate of Science in Aviation and Pilot Studies (articulated into a 1.5-year Bachelor of Aviation) to be offered in September 2018 and
- 2) a 4-year Bachelor of Aviation (Operations and Management) to be offered in September 2019.

In order to develop the aviation training we may jointly offer with local institutions, we would like to invite you to participate in this survey. Your response will help us to decide on how to go forward.

We would very much appreciate if you could spare a few minutes and share your ideas with us by filling in the online questionnaire: <https://goo.gl/jezY77>

Should you have any enquiries, please contact the undersigned at hkaccvqu@gmail.com.
