Ref	: The Valiant 2026_02	Date	: 16 September 2026

THE VALIANT 2026 **Open for Application**

In previous years, the Corps has sent cadet representatives to the United Kingdom and the United States to participate in the Air Cadet Leadership Course (ACLC) and the Hawk Mountain Ranger School (HMRS).

In order to bring back the knowledge and skills acquired, members who have participated in these courses established “The Valiant” Leadership Course, a camp designed to provide cadets with outdoor experience and leadership training adapted from the UK and US programmes, while incorporating local elements to suit the Corps’ context.

“The Valiant 2026” offers cadets a distinctive training experience inspired by ACLC and HMRS, enriched with local characteristics and different from regular training camps. It will certainly be a once-in-a-lifetime experience in one’s cadet career.
