The Qualified Aviation Instructor Course (QAIC) is a new initiative to prepare qualified members, especially cadets, to be competent trainers of designated aviation education subjects at Squadron, Wing and Corps levels. QAIC also serves to standardize aviation education training throughout the Corps. Upon successful completion of QAIC, members will be appointed as Qualified Aviation Instructors (QAIs).

2. The No.2 Qualified Aviation Instructor Course is tentatively scheduled from late November 2017 to early April 2018.

Privileges of QAIs

Remarks: Senior members who successfully completed OCTC / OTTC, or who are appointed through the AE specialist stream, regardless of being QAIs or not, are deemed to be capable of delivery of the aforementioned AE subjects at current.

4. Cadet QAIs are eligible to wear a light blue lanyard on their uniforms.

5. Cadets who are QAIs shall be deemed to have obtained pass results in four AE subjects at either the Senior Cadet or Staff Cadet classification. Full details are available in my previous memo dated 27 January 2017 with reference (2) in AE/CCR / HQ msg 034/17.
