THE VALIANT 2025 - TWELVITY
Open for Application

In the previous years, the Corps has sent out cadet representatives to the UK and the US to attend the Air Cadet Leadership Course (ACLC) and Hawk Mountain Ranger School (HMRS). Participants in ACLC will undergo a 7-day leadership training programme designed and organised by the Royal Air Force and Royal Air Force Air Cadets (RAFAC); while HMRS is an outdoor search and rescue programme offered by the Civil Air Patrol (CAP). In order to bring home the knowledge and skills learnt, members who have participated in these courses have established 'The Valiant', a camp which provides our cadets with outdoor experience and leadership training adopted from the UK and US outline. "The Valiant 2025 - Twelvity" provides an opportunity to share and experience the know-how and training setting inspired by ACLC and HMRS with local characteristics that will surely be different from normal training camps, and certainly be a "once-in-a-lifetime" experience in one's cadet career.
