## American Heart Association (AHA) Basic Life Support Renewal Course (BLS-R)

Organized by  
Resuscitation Training Centre, Caritas Medical Centre (CMCRTC)

The **Basic Life Support Renewal Course (BLS-R)** aims to provide *update* BLS knowledge and skills of CPR for victims of all ages (including ventilation with a barrier device, a bag-mask device, and oxygen), use of automated external defibrillator (AED), and relief of foreign-body airway obstruction (FBAO). This program involves multiple learning activities including videotape, practical session and instructor discussion.

**Successful completion of BLS-R training according to the standards of the American Heart Association requires candidates to achieving the following:**

1. Successful demonstration the skills of CPR, mouth-to-mask and bag-mask ventilation, use of AEDs, and relief of FBAO for the responsive and unresponsive victim.
2. Achievement of a satisfactory score on the Post-course written examination (84% of 25 Multiple Choice Questions)

Upon successful completion of the BLS Course for Healthcare Providers, an **AHA BLS completion card** will be awarded. It is strongly recommended that candidates read the **AHA BLS Provider Manual** prior the class. Early registration and collection of course materials is much encouraged.

The **Caritas Medical Centre Resuscitation Training Centre (CMCRTC)** is the first Training Centre of the American Heart Association (AHA) in Hong Kong. With the co-operation of Hong Kong AHA International Training Organization, the Centre has conducted ECC BLS and ACLS training since August 2000.
